

TOUGH JOBS MADE EASY

MAKINEX POWER 16KVA PORTABLE GENERATOR

COMPACT. LIGHTWEIGHT. QUIET

“This portable system allows us to be portable on site, anywhere. We’re no longer having to take our trailer Generator or wait for power to be wired on site.”

APPLICATIONS

The Makinex Generator Range is a robust, powerful and reliable solution for providing power to equipment and tools, floor grinders, welders and brick saws, air compressors and a wide range of applications.

They are suitable for use in rental yards, construction sites, and rural areas and offer a compact lightweight option when moving the Generators around on building sites as well as on and off vehicles.

POSITIVE RESULTS

- ✓ Powerful and reliable
- ✓ Work anywhere
- ✓ Unique handles make it easy to push the generator and transport it
- ✓ Power anything
- ✓ Low noise level is ideal for residential work sites

CHALLENGES ON THE JOB
