

Moving Skates/Dolly- Corner Mover Set Moves Heavy Equipment- 600kg

Low level corner skates are used to move triangular loads such as cabinets, safes, vending machines and washing machines.

Features

- 4 x Triangular shaped corner dollies with recessed loading platforms.
- 360 degree rotating wheels allow for rolling in any direction with ease.
- Each loading platform is fitted with anti-slip foam to secure and help prevent slipping.
- Easy to position, lift one side of load with either a roller crowbar or jack and slide in corner.
- Each moving dolly has a steel frame and is equipped with 3 ball bearing rollers.
- Powder coated red for hi-visibility and extra protection from wear and tear.
