Touch Free Sanitiser Bollard.

THE PREMIUM

Made in Australia, the sanitiser bollard will fit stylishly into premium locations. Its pedal command avoids getting your hand contaminated while the bollard doesn't require installation. It is stable as an independent stand, vandal proof, very robust and can be fixed to the ground.

- Allows efficient flow of traffic through walkways
- Pedal feature allows no touch application
- Made in Australia from quality stainless steel
- Unobtrusive design allows bollard to fit into any space
- Uses replaceable sanitiser cartridge (ordered separately)
- Locking feature ensures safety (padlock ordered separately)
