

# 85cm Ride On Battery Scrubber

190444 - Columbus ARA 85 BM 120

- The versatile ride-on scrubber dryer can clean 3600 square metres without interruption and without refilling the tank. Small turning circle of only 1.95m.
- Fast, easy and hygienic changing the brushes and pad holders do not only spin off with the press of a button, they also spin-on automatically.
- Robust mechanics instead of electronics: simple operating switches to turn the machine on and off and forward and backward movements. Mechanical lowering of brushes and squeegee.
- Freshwater can be filled up in an instant with an integrated, industry standard system connector or the large filling opening.
- Central seat position for better visibility when cleaning beside edges.
- LED front lights as standard for safer operation and a good view of the working area.
- The arch-shaped squeegee tool adapts actively to the movements of the machine and will perfectly pick up without leaving any waste water even on tight turns.

## Technical Data

Run Time:	Up to 6 Hours
Cleaning Width:	85 cm
Coverage Performance:	Up to 5100 m <sup>2</sup> per hour
Tank Capacity:	120 L
Brush Speed:	180 rpm
