

MERIVAARA  PROMERIX™

Grand Promerix

Powerful and smooth Grand Promerix is heavy-duty, yet versatile operating table for all kind of surgical procedures. Rethinked details help you to work more fluently.

Health Technology with a Human Touch.

Operating table for demanding workflow

Improved ergonomics

Grand Promerix has lots of improved details for better ergonomics, for example, hidden, smaller castors and inwards cutout for increased foot space. Human-centric design at its best.

C-Arm access

The renewed slim base gives you perfect C-arm access. Grand Promerix meets even the strictest demands of modern operating theatres easily.

Increased hygiene

Details redesigned with patient safety in mind. New bellows & seat section, among other improvements, make Grand Promerix hygienic and easy to clean.

Fluent Lock™

Our Fluent locking system is both user-friendly and reliable. Connect with one click.
