# GREENLINE COMMERCIAL BENCH FRIDGES

## HEAVY DUTY!

Electronic Dixel control and thermostat.

Operating temperature +2C to +5C

Stainless interior and exterior

On heavy duties casters

## The Best addition for **your commercial space.**

**An essential appliance for any busy commercial kitchen with limited space.**

The counter is fitted with castors as standard allowing easy mobility to suit your catering needs. The freezer has a stainless steel finish that offers a sturdy frame for the freezer and increases its durability. Stainless steel is also easy to clean, thus allowing you to maintain hygienic, food safe conditions around your freezer.

# Benefits of Commercial UNDERCOUNTER BENCH FRIDGES

## Easy cleaning and maintenance:

The under counter refrigerators made up of stainless steel do not absorb any dirt. The resistance to dirt leads to resistance for smudges, finger prints and also scuff marks.

## Germ resistant surface:

The under counter fridges are utilized for storing and preparing food so it is very important that the health safety regulations are considered.

## Keeps the food safe:

The stainless steel appliances are incredible choice for storing the food products since it has no impact in the quality or the flavor of the food items.

## Operates in harsh conditions

# 40°C - 65%RH
