

# Surevac 14L Extractor

190115 - Corded operated

- High water lift technology allows incomparable dirt removal and the shortest drying time: carpet can be dry in an hour.
- The size of the machine is small compared to its tank capacity. The machine is easy to carry even in a small car.
- With a single machine, it's possible to clean both carpet and hard floor. The interchange from carpet to hard floor cleaning, and vice versa, is done easily by simply turning a lever.
- S-shaped tool, which allows to clean easily under tables and desks.
- The height of the handle is adjustable, for greater ergonomics.
- Quick disconnect spray nozzle, which can be removed by hand without using any tools.
- Transparent unbreakable cover, which allows you to see the dirty water while it is being sucked.
- Recovery tank with integrated handle. The tank can be easily detached from the machine body.
