# EUROWASH PASS-THROUGH DISHWASHER WITH DRAIN PUMP EW393E

**Product Code:** 4012412

**Product Description:** The Eurowash Pass-Through Dishwasher 1PH with Drain Pump is a powerful and efficient solution for commercial kitchens. With three wash cycles (60, 120, and 150 seconds), it provides flexibility to handle various levels of dishwashing needs. Operating at a wash temperature of 55°C, it ensures thorough cleaning while maintaining optimal efficiency. The spacious 500 x 500mm rack accommodates high-volume loads, making it ideal for restaurants, cafés, and hospitality settings.

Designed for durability, this dishwasher features a 15-litre tank volume and an optimal water supply pressure of 2-4 bar. Consuming just 2.2 litres of rinse water per rack, it balances performance with water efficiency. The integrated drain pump enhances convenience, while the user-friendly controls allow for seamless operation.

**Unit:** EACH

**\$6,650.00** ex. GST
