

Raider V2 Vanguard Water Jetter

24LPM / 5070PSI Water Jetter for 50-225mm pipes

The SEWERJETT RAIDER V2 is a specially designed ute mount water jetter that can be easily mounted to your vehicle without taking up valuable space. The RAIDER V2 comes complete with all the accessories required to effectively start cleaning drains. With twin reels mounted directly to the unit, mounting to your vehicle is a breeze without the expensive fit-out required with remote reels. One reel houses the 25m of 19mm water feed hose, the other 60m of high quality jetting hose. Simply bolt this impressive unit down to your ute, truck, trailer or van and you are ready to start professionally jetting those blocked drains!

The RAIDER V2 water jetters are manufactured in our Sydney warehouse and we ship Australia wide with overnight delivery to most major cities on the east coast like Sydney, Melbourne, Brisbane and the Gold Coast.
