

"The table is perfect and I am really happy with the quality, material and colour. Your company made the whole process incredibly simple and efficient and delivered on time."

CAROLYN AUSTIN

Pro-Lift Treatment Luxe

Your patients will feel secure and comfortable with our sturdy design features and superbly supportive Dunlop® premium Enduro cushioning. This table can be customised to suit many modalities including Bowen Therapy, the Chiropractic Activator Method and acupuncture.

SELECT FROM OVER 30 COLOURS AND FABRIC CHOICES INCLUDING POLYURETHANE (PU), VINYL (PVC) AND GENUINE ITALIAN LEATHER:

PRODUCT INFORMATION

OPTIONAL SHIN SUPPORT

Specifically designed for the Activator Method, the shin support is incorporated into the tabletop. When combined with a nose slot, patients can lie comfortably during prone treatments without an ancillary shin bolster.

OPTIONAL EXTENDED NOSE SLOT

The extended nose slot (680 x 70mm) is ideal for treating patients of different heights in the prone position with their feet at the very end of the tabletop.

FACE HOLE OPTIONS

A face hole with a face hole plug helps to move patients quickly between prone and supine positions – no need to rotate the patient to the other end of the table to avoid the table's face hole.

FAST HEIGHT ADJUSTMENT

Save time with quick height adjustments from our extra powerful 10,000N German actuator – with smooth and quiet operation, our actuator is three times faster than most competing products.

TABLE WIDTH

Select a tabletop width from 610mm to 760mm to suit your modality. Custom width tabletops are also available at an additional cost.

BASE STYLE

Choose between our Standard base with concealed in-line wheels and floor-levelling feet or our lockable Castor base for easy manoeuvrability. All wheels feature TPE rubber compound tread to protect your floors.
