FLOOR SCRUBBERS

# 200L Cylindrical Brush Scrubber

190762 - Columbus ARA 100 BM 200W

- This 200 litre robust machine is ideal for cleaning large areas. In addition to its powerful motor and extremely long battery life, this ride-on scrubber dryer comes with cylindrical brushes, has a high theoretical coverage, and an incredible ability to climb up to 20 percent tilt.
- It can be equipped with a wide variety of fittings so that it can be perfectly tailored to any application, industry or space.
- Adjustable brush pressure to suit different floor types and soiling level. Additionally, the optional add-on rotary side brush provides perfect cleaning results when sweeping close to edges.
- Very safe to operate. It comes with standard LED front lights and extremely resilient steel protection for the rear for better impact protection.
- Central seat position for better visibility when cleaning beside edges.
- Come with Suction Wand and Pre sweep.
