

Carpet Poles - Forklift Attachment

Slip-on and carriage mounted Carpet poles suitable for moving fabric, cable and coil products by forklift. It can also be used for carpet handling, but usage is generally restricted to larger forklifts due to the extended load centre created by the length of the tines.

- * Slip-on Roll and Carriage Mounted Options
- * Prong suitable for carpet, fabric, cable and coil products.
- * These attachments quickly adapt to almost any forklift
- * Prongs are manufactured from high tensile steel and can be made to any length.

Model	Type	Length (mm)	Diameter (mm)
