

Del Morino

PREMIUM ITALIAN AGRICULTURAL IMPLEMENTS

HEAVY DUTY MULCHING

The **Del Morino Levante** is a heavy duty, premium flail mower for larger tractors, from 80hp to 120hp. The Levante has been specifically engineered for effortless mulching of heavier material. An internally mounted, dual-mulching (shredding) blade is welded to the frame in the mulching chamber.

FEATURES

- > Reversible frame for front or rear mounting
- > Fixed side shift (TPL)
- > Reversible gearbox with pass through shaft
- > Reinforced frame
- > Transmission with four heavy duty belts
- > Bearings located outside of mulching chamber
- > Dual mulching (shredding) blade
- > Adjustable belt tensioner
- > Adjustable skids and rear roller
- > Easy access for tensioning belts
- > Quick greasing
- > Rotor supports
- > Hammer blades
- > Hydraulic side shift kit (optional)
- > 2 year factory warranty

Del Morino flail mowers are available in four models (see table).
