

MOVIN'SIT SEATING WEDGE – VARIOUS SIZES

The Movin'Sit Seating Wedge is an inflatable, dynamic cushion that activates intrinsic trunk muscles to support the spine.

Can be used
on a chair or
on the floor!

KEY BENEFITS

- Tips the pelvis slightly, helping the spine maintain its correct curve
- It is contoured to support the thighs and buttocks to maximise comfort and stability
- These inflatable wedge-shaped seating cushions are especially popular for more hyperactive children and young people in school where they are expected to stay sitting for a long time
- Helps improve posture and allow a certain amount of wiggling around without having to get off the chair

Available in

- Adult size 36 x 36cm
- Junior Size 26 x 26cm
