

Plinth Medical - 40MT Neurological Mat Couch

Access Health

NEUROLOGICAL MAT COUCH

This traditional Neurology Mat Couch has been designed for neurological assessment and treatment for both adults and children.

The couch is extremely strong and rigid, with a large treatment surface to support both the patient and therapist for a wide range of treatment procedures.

KEY BENEFITS

- Large treatment area to support both therapist and patient
- Choice of electric or hydraulic height operation
- Retractable wheel system provides easy positioning of the treatment table
- Low patient transfer height of 42cm (17")
- Clearance beneath frame for mobile hoist
- Option of fitting fold-down side support rails and pads for additional patient security

German Manufactured Actuator Motors

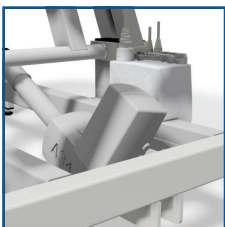

- Lifetime frame guarantee
- 5 year parts guarantee
- 16 years average lifespan
