SureSWEEP

Suresweep SM900

190437 - 90 cm battery sweeper

- Tandem Roller System (TRS) ensuring highly efficient collection of materials.
- All brushes are made of long lasting polyamide. This is very durable and will also revert back to its straight position if bent or stressed whilst being stored.
- High performance suction system for reduced dust discharge into your working environment.
- Smooth-running, making it great for use on carpets.
- Chain driven, ensuring no belt slippage, and minimal maintenance.
- Can get into very tight areas – less broom sweeping required.
- Charger on board, this means sweeper can be charged anywhere from a standard power point.
- Main structure is made of impact resistant polyethylene for extending life.
- Access to the working parts is extremely easy making maintenance a breeze.
- Very maneuverable and silent making this sweeper exceptionally user-friendly.
- Engineered and manufactured in Germany.

Technical Data

Run Time:	Up to 3 Hours
Sweeping Path:	90 cm
