

UV-FAN-XS 60HP

VENTILATED UV-C AIR SANITISER, EPOXY WHITE, 70 M³/H - 70W HO (690 X 152 X H = 162MM)

UV-FAN-XS 60HP-NX

VENTILATED UV-C AIR SANITISER, AISI 304 STAINLESS STEEL, 70 M³/H - 70W HO (600 X 152 X H = 162MM)

FAN SERIES M2 & XS

The UV-C range of fan devices are air sanitisation devices where a quiet internal fan conveys air from the room to the inside of the germicidal box.

The Air is sanitised by UV-C lamps and clean air is introduced again into the environment, free of contaminants or pathogens.
