

INDUSTRY  
PRESENTATION

2021

# BEVERAGE INDUSTRY.

# WE, THE HIGHEST STANDARDS.

The **UNI EN ISO 9001:2008** certification guarantees the quality of our products and the organization of the working group.

It therefore ensures **punctuality** and the respect of the delivery timetables

agreed with our clients, the correct **industrial operations** and the compliance with compulsory regulations as requested by

the **European Committee for Standardizations**.

# WE, OVER 40 YEARS OF EXPERIENCE.

Heavy duty structure machines and lines for long life working.

High level designed and innovation.

High quality brand equipment's

Efficient pre / after sales support all over the world.

WE,  
CREATING NEW  
KNOWLEDGE.

A company **attentive** to the requests of the market.

The R&D department is always looking to  
improve the known technologies and **develop**  
**new** technologies and **products**.

# WE, MANUFACTURING QUALITY.

A works area of 11,000 sq.m

Hundreds of machines exported all over the world every year,  
solidity which springs from continuous investment in  
advanced technologies and the certainty of a world leader.

TECHNOLOGY

RELIABILITY

# WE, YOUR SAFETY.

**A SIMPLE GOAL:  
YOUR GOODS AROUND THE  
WORLD IN TOTAL SAFETY.**

WE,  
DELIVERING  
EXCELLENCE.

EXPERIENCE AT 360°
