

Electric Towing Tug - 6Tonne with Pin Hitch

The Mitaco KMT-T60 tow tractor is a versatile and compact electric tug designed to handle heavy towing with ease. With a 6000kg towing capacity, it's perfect for trailers, boats, light planes, cars, and caravans. Ideal for airports, warehouses, and industrial facilities, this powerful tugger excels in tight spaces where manoeuvrability is critical.

Features

- **Durable steel construction** ensures long-lasting performance.
- **Large tires** provide excellent traction on various surfaces.
- **Electric-powered** for reliable and quiet operation.
- **Powder-coated finish** resists wear and corrosion.
- **Dual functionality:** pull or push loads to reduce operator strain.
- **Easy-to-use controls:** centrally located buttons on the steering handle.
- **Ready to operate** includes batteries, charger, and battery level gauge.
- **Adjustable front towing hitch** for quick and secure connections.
