

WL958K

LOVOL

ALFA
SERIES

The LOVOL 18 tonne ALFA series wheel loader, 5.5 tonne SWL capacity wheel loader. Features a Cummins 9.3L common rail tier 3 engine. Fully automatic powershift transmission with thumb action forwards/reverse selector on joystick. Pilot oil operated joysticks. Wet brake or dry brake options available. Industry leading extra large luxury lined and fully sealed A/C cab. With limited electrical computers, this eliminates many of the problematic items!

The LOVOL WL958K ALFA series rivals other big name brands in function, style and comfort, and passes them with pilot joystick accuracy and reliability.

Toughest heavy duty construction suitable for the harsh Australian conditions!
