Skope TME1000N-A ActiveCore 2 Door Chiller/Fridge improving upon the already excellent energy saving credentials of the original Activecore. The new TME1000N ActiveCore 2 offers unbeatable energy savings compared to many other glass door fridge in the market and compatible to new Skope-connect App so you can monitor your fridges performance – no other comparable fridge comes close to the buyers-confidence and energy saving features of this fridge. Zero GWP (Global Warming Potential) – R290 natural refrigerant reduces GWP by 99.8% over previous R134a refrigerant.

**Energy Incentive Discounts may apply to this product** - subject to approval, which takes up to 72 hours for processing.

(If your application for an Energy Incentive is not successful, we will re-issue your invoice with correct pricing)
