HIT GP5 Glass Polisher

This machine is the most cost efficient glass polisher on the market. The removal of water stains and marks from glasses has never been easier with the HIT GP 5 Glass Polisher from HIT Equipment.

Using a combination of hot air, rotation and the drying action of the rollers, the HIT GP 5 will leave your glassware crystal clean and clear with no water marks.

The HIT GP 5 has a capacity of up to 500 glasses per hour.

The HIT GP 5 Glass Drier is finished in bright stainless steel, making cleaning after use easy and straightforward.

It weighs a mere 13.5 kg, so is easily portable
