

PORTABLE WEIGHING SCALES- BLUETOOTH TRIP SCALE- Set of 2 3000kg / Set of 3 4500kg Capacity

These Portable strip scales can be easily used with an android or iphone.

They are light weight at only 6kg per bar, perfect for weighing jobs on the road or in the factory and warehouse. Ideal for waste management, freight companies and warehouses, all weights can be photographed, shared and you can also download to excel.

APP Options:

- Zero-Reset
- Bluetooth Printer (optional, sold separately)
- Weighing record search
- Accumulative weighing
- Option of having 3rd strip scale in a row for longer items and giving 4500kg of weighing.
