Table with Controller

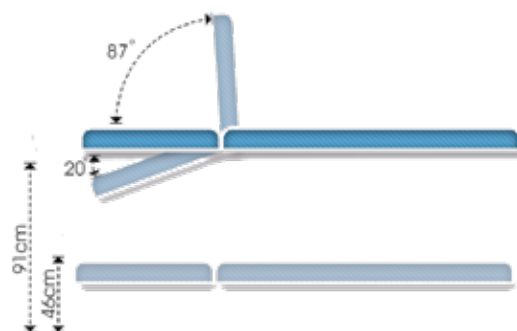

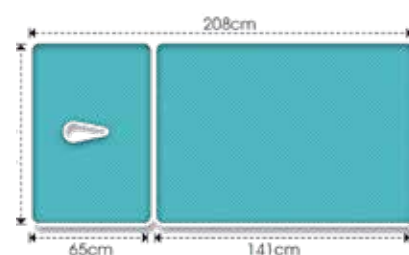

### ALLCARE ASCOT Variable Height Neurology Table

The AllCare Ascot Variable Height Neurology Table is probably the most stable and rigid couch currently available. Featuring a large upholstered top and an exceptional low operating height, 46cm (yet still allowing clearance for mobile hoist procedures). Clearance is 15cm. Electric height and electric back rest as standard. Built to last, proven in high use environments.

#### Optional Accessories:

- Control box for tables
- Motor for tables
- Paper Towel Holder
- Gas Stool
- Adjustable height saddle stool
- AllCare Head Pads
- AllCare Neutral Detergent Wipes
- Face Pad
