

## ROLL-A-GRILLES

# Roll-A-Grilles

The Industrial Grille-type Aluminium Shutters have a sleek, easy to operate aluminium curtain, specifically designed from aluminium extrusion for a high level of security. They are a cost-effective product designed to maintain the feeling of openness between internal and external spaces, where ventilation or visual product branding is needed.

## STANDARD FEATURES

- Supplied standard in a clear anodised finish (Matt Natural), but can be powder coated as an optional extra
- Sturdy T-Rail aluminium bottom rail providing additional strength
- 50mm x 30mm aluminium door tracks can be mounted between wall fix or behind wall fix
- May be fitted with central mounted locking mechanism within the bottom rail. Locking mechanism is generally concealed

# 12
