

Adaptor Kit for Lawn Mower, ATV, Golf Cart or Low Chasis Car

Features:

This Lawn Mower, Golf Cart, ATV Adapter Kit is suitable for most 2 post lift.

The installation is simple and width is adjustable.

This design can change the 2 post lift from chassis-support to wheel-support.

It is fitted for lawn mower, golf cart, snowmobile, ATV and low-chassis vehicles.

Distance between front and rear adapter depends on the lift arm design.
