

# Suresweep SM650

190760 - Battery operated

- This sweeper is easy to use and operate as the handlebar, guide wheel and brush pressure are all adjustable. It can also be used in front-sweep mode thanks to its main and side brush.
- Very resistant and durable design due to the steel frame, impact resistant plastic covers and pneumatic tires.
- This sweeper is powered by high-performance 24V motor and maintenance-free AGM batteries that can run for up to 1.5 hours.
- Includes with a large 50 L waste container and 24 months warranty.
- Includes batteries and charger.
- Engineered and manufactured in Germany.
