

Chair Oxy Holder

C size oxygen bottle holder which can be mounted to all four corners or backrest of a chair.

Key Benefits

- Low, high and backrest mount positions.
- Holds C-size oxygen bottle.
- Powder coated solid steel construction.

Product Code

- Vertical Oxy Corner Low Mount - MPC-CA-VO2
- Vertical Oxy Corner High Mount - MPC-CA-VUO2
- Vertical Oxy Backrest Mount - MPC-CA-BO2

Why Buy

To cater for varied departmental requirements for specific oxy bottle positioning, we have developed a range of options. Some prefer 'fixed', non-moving positions and others require 'swinging' options that allow the bottles to be moved aside if they become an obstruction during transport. There is also the option to support bottles vertically either above or below the patient surface.
