

Tacta[®]

Mechanical Pipettes

Tacta[®], the premium mechanical pipette with superb comfort and reliability. Tacta[®] makes pipetting effortless and safe, while producing accurate and reliable results time after time.

Tacta Features

- › Comfortable to hold due to the ergonomically designed handle
- › Low pipetting and tip ejection forces that reduce the risk of Work-Related Upper Limb Disorder (WRULD)
- › The unique Sartorius Optilock[®] system provides flexibility for volume adjustment and locking
- › Controlled and smooth tip ejection with the new Sartorius Optiject[®] technology
- › Calibration adjustment to provide accurate results for various liquid types
- › Easy to clean, with only three parts to disassemble
- › Reliable result, even over lengthy pipetting periods
