

Container Moving Skate- 4T Capacity Twist Locks

These durable skates are designed to lock easily and securely into the corner of shipping containers, allowing for convenient transport of heavy loads.

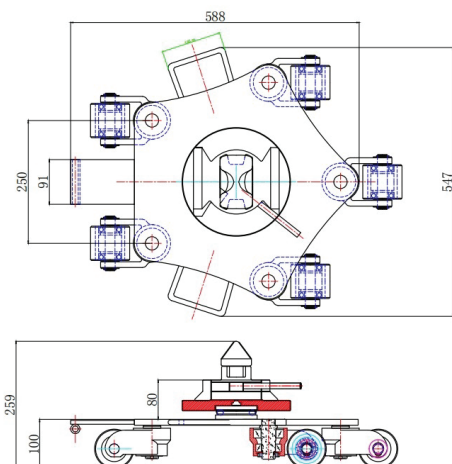

Features

- Allows for easier steering and moving of heavy container loads in a safe, efficient way.
- Can go where forklifts can't, making them a great choice for narrow industrial or shipping areas.
- 5 x durable swivel castor wheels on each skate allow for precise movement in any direction.
- Wheels are made of Nylon to deliver a smooth run on indoor/outdoor concrete.
- Fits securely into the corner of shipping container with easy-to-use twist locks.
- 200mm rotating round plate.
