

Kubota L1-24DT

SOTA REMANUFACTURED KUBOTA

SAVE YOUR BACK!

The Kubota L1-24DT is a remanufactured 28hp, 4WD diesel tractor with shuttle shift – suitable for landscaping, small farming and other purposes. It is equipped with a brand new, purpose-built front-end loader with a 4 in 1 bucket, which is ideal for applications such as stables, stud farms and small scale operations from boutique vineyards to public property managers.

A GREAT ALL-ROUNDER

The Kubota L1-24DT supports a broad range of three point linkage attachments, such as backhoes, slashers and rotary hoes, and is a tough little tractor for cleaning up around the farm!

FULLY SUPPORTED

The L1-24DT is a **fully supported tractor**. It is backed by SOTA's famous customer service and renowned after-sales support. We have sold thousands of these small, compact Kubota tractors and loaders throughout Australia and we support the models that we import with a full complement of spare parts, on the shelf plus a written warranty for peace of mind.

The L1-24DT comes with a standard 3 month warranty, which includes **all parts, labour, freight and travel costs**. An optional 15 month warranty extension is also available.
