

IMPROVES STRENGTH AND RESTORES MUSCLE VOLUME, HELPS RELAX AND RECOVER FASTER

Designed for athletes who practice their activity more than 3 times per week, SP 6.0 includes all the muscle stim functions, but with wireless features that ensure total freedom of movement. Its easy-to-use color screen even shows you where to place the electrodes.

MI-TECHNOLOGY

MI-SCAN

Scans the muscle and automatically adjusts stimulator parameters to the user's physiology.

MI-RANGE

Indicates the optimal level of stimulation to use for Recovery and Massage programs.

TECHNICAL FEATURES
