ES-D Malmet Bedpan/Urinal Bottle Washer Disinfector

Malmet ES-D Bedpan/Urinal Bottle Washer Disinfector range is the most efficient and effective method of washing and disinfecting bedpans and urinal bottles.

Independently micro-tested, Malmet ES-D devices are proven to inactivate organisms (bacteria and viruses) generally found in bedpans and urinal bottles.

The detergent wash ensures that faeces etc are properly removed before the final steam disinfection, ensuring efficacy to the highest relevant Australian and ISO standards. Also, designed with the environment in mind, the ES-D range of products has one of the lowest energy usage rates in the industry.

- Low water and power consumption
- Large capacity: 1 bedpan and 2 urinal bottles per cycle
- Standard universal rack will also accept bariatric slipper pan
- Detergent cycle
- Infection Control: Microbiologically tested by an independent NATA certified laboratory
- Hands-free operation to minimise infection control risk
- Simple controls, easy to operate
- Steam disinfection with inbuilt steam generator – no external hot water supply required
- Disinfection to higher AO 600 level as recommended by ISO 15883
- No venting required
- Available in 240 V 10 A and 240 V 20 A
- Compliant to relevant electrical safety, Watermark standards
- ARTG Certification 232012 to industry highest Class 11b level
- Malmet Door Obstruction Feature - This is factory set to 12 Nm \pm 10%; causing the door to re-open when an obstruction is detected. This is designed to protect the integrity of the device and the articles within.

SERVICE DIVISION

Robust technology, easy to service, local spare parts

One of the cornerstones underpinning Malmart is our commitment to excellence in customer service. At all levels of our company - from the production floor to our sales and management staff - integrity and professionalism mark the way we do business.

Malmart Service manage the service for the Malmart brand of hospital equipment. All Malmart Service Technicians are comprehensively factory trained offering a professional and competitive service.

Urgent service/breakdown requests are attended to within a 24 hour period.

Malmart prides itself on achieving outstanding customer service satisfaction, obtaining 9/10 and higher on all Customer Service Quality Audits.

Malmart have their own service technicians to cover most of NSW/ACT, with authorised service agents for other areas. Interstate, Malmart have fully trained authorised service agents to cover most of Australia.

Preventative Maintenance Agreements and Validation Testing and Certification

With the changes to the Healthcare Industry accreditation process more facilities are required to show that all equipment is maintained according to the manufacturers recommendations. Malmart recognises this need and are pleased to offer Preventative Maintenance Agreements (PMA) for all Malmart products, and Validation Testing and Certification in accordance with AS5369:2023 and ISO15883

PMA's take into consideration the quality, age and usage of the products to give the most suitable scheduled competitive agreement tailored to the facilities requirements. Malmart or its authorised service agents can offer a competitive, professional PMA tailored to your organisation.

MALMET

Malmet (Australia) Pty Ltd is a privately owned and operated Australian family business belonging to the Celi Group of Companies.
