

"The table is perfect and I am really happy with the quality, material and colour. Your company made the whole process incredibly simple and efficient and delivered on time."

CAROLYN AUSTIN

## Pro-Lift Treatment V

The versatile three section table features twin 680mm backrests which make this the ideal table for Dermatologists, Physiotherapists, General examination or multi-modality practices. The 680mm backrests allow for more legroom and both adjust to +65° (Fowler Position).

SELECT FROM OVER 30 COLOURS AND FABRIC CHOICES INCLUDING POLYURETHANE (PU), VINYL (PVC) AND GENUINE ITALIAN LEATHER:

## PRODUCT INFORMATION

### DUAL LIFT-UP BACK

The 680mm dual backrest configuration provides excellent supporting for taller patients, and has an adjustment range of +65° (Fowler position).

### FACE HOLE OPTIONS

Choose a face recess in either or both backrest sections. Order a face hole plug to help move patients quickly between prone and supine positions - no need to rotate the patient to avoid the face hole.

### OPTIONAL SIDE SUPPORT

Provide additional patient support during procedures. Available in one or both sides. The side support is 610mm long and 210mm wide.

### FAST HEIGHT ADJUSTMENT

Save time with quick height adjustments from our extra powerful 10,000N German actuator - with smooth and quiet operation, our actuator is three times faster than most competing products.

### TABLE WIDTH

Select from three table widths to suit your modality. Custom width tabletops are also available at an additional cost.

### BASE STYLE

Choose between our Standard base with concealed in-line wheels and floor-levelling feet or our lockable Castor base for easy manoeuvrability. Also available with optional hospital-grade 100mm castors.
