

## Hand-held welding torches

Forsthoff have been the leaders in hot air welding technology for more than 30 years. They are known internationally for their innovative approach to design as well as their ability to produce high quality hot air welding equipment that represent excellent value for money. Not only is FHS Poly the Australian distributor for Forsthoff, we are also the Australian service agent. We stock a full range of spare parts and accessories.

Find the full range of Forsthoff products at [www.forsthoffwelding.com](http://www.forsthoffwelding.com) including brushless and electronic units

### Forsthoff Quick-L Electronic

FORA0158

QL electronic hand-held hot air welding torch for all thermoplastic materials

- 1500 Watt
- Noise Output: less than 70dB
- Lightweight at 1.2 kg
- Variable temperature 20-700°C
- Air cooled heat guard
- Small handle that is both easy to grip and easy to use

### Forsthoff Mini Electronic

FORA1020

Mini electronic hand-held hot air welding torch for all thermoplastic materials

- 1500 Watt
- Uses external air source eg: Forsthoff blower
- Lightweight at 400g
- Air cooled heat guard
- Brushless unit
- Variable temperature 20-700°C

### Forsthoff Oval-Q

FORA0155OV

Oval-Q hand-held welding torch for all thermoplastic materials

- 1500 Watt
- Variable temperature 20-700°C
- Weight 1.4kg
- Strong air output of 280 litres/minute
- Air cooled heat guard
- Distinguished by its slim, slightly oval-shaped handle

### Forsthoff Oval-G

FORAOVALG

Oval-G hand-held hot air blower for all thermoplastic materials

- 3000 or 3400 Watt
- Variable temperature 20-700°C
- Weight 1.5kg
- Can be used as hand blower or incorporated into various production processes, machines and on conveyors
- Ergonomic
- Air cooled heat guard

FHS Poly do servicing and hold spare parts for select Munsch and Forsthoff products

## Hot Air Welding Accessories

Essential accessories for all aspects of hot air welding.

5mm Standard Nozzle

20mm Flat Nozzle

40mm Flat Nozzle

70 x 4mm Wide Slot  
Nozzle

Tacking Tip

3mm Round  
Speed Welding Tip

4mm Round  
Speed Welding Tip

5mm Round  
Speed Welding Tip

5.7mm Triangular  
Speed Welding Tip

7mm Triangular  
Speed Welding Tip

5mm Triangular  
Speed Welding Tip

45mm Pressure Roller  
with 2 arms

45mm Pressure Roller  
with 1 arm

Grooving Tool

Weld Seam Slide

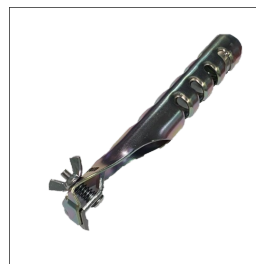

Quarter Moon Knife

Flash Trimmer

50mm Flat Double  
Edged Scraper  
(Replacement Blades  
Available)

9mm 90° Scraper  
(Replacement Blades  
Available)

Isopropyl Alcohol  
Wipes
