FLOOR SWEEPERS

Suresweep ST1000

190545 - Self propelled battery sweeper

- Self propelled when going forward or reversing, making sweeping easier.
- Tandem Roller System (TRS) ensuring highly efficient collection of rubbish.
- The Powerful dust suction ability yields a volume of more than 600 square metres of air per hour through a dust filter of 3 square metres.
- Convenient for both outdoor and indoor use.
- Smooth running, making it great for use on carpets.
- High performance suction system for reduced dust discharge into your working environment.
- Polypropylene double row main brooms are standard to assist with the sweep action meaning a one pass sweep in heavy conditions.
- Excellent ramp-climbing ability ensures easy transport.
- Chain driven, ensuring no belt slippage, with minimal maintenance required.
- Engineered and manufactured in Germany.
