**Gen 2[®] Disposable
Diathermy Forceps**

www.elitemedical.com.au

“We believe there is always a better way.”

For over 30 years, Elite Medical has stood for people and products of the highest quality to continually supply great value instruments and consumables for health service providers. We keep it simple giving the best quality, life-saving instruments, combined with responsive time-saving service.

While we are not the largest supplier or owned by a multi-national, we are an Australian family-owned business successfully providing the Australian Medical Industry. We know that we can make a difference, so we strive to achieve our partners' goals and dreams **#becausewecare**.

Why Elite Medical

With our focus on **continuous improvement**, we **look after our customers** seeking long-term partnerships, to conduct every transaction with **honesty and transparency**, **standing accountable** to our stakeholders and ourselves for best results.

Regardless of the size of your business or annual spend, our support will always be second to none, and you will always have a dedicated account manager to support you.

Simply order online, give us a call or join our subscription service. Speak to your account manager for more details.

Our Sieger® Disposable Diathermy Forceps Range

We've come to listen to the operation room professionals throughout the years, and we've found manufacturers that will deliver the highest quality of disposable forces for your specific needs. Regardless of your surgery specialty, Elite Medical's extensive and trusted range of Disposable Diathermy Forceps will fulfil your electrosurgical needs.
