Entry level

California - 8000 Series

Standard

Universa - 8000 Series

Deluxe

Europa - 8000 Series

Semi-Cassette

Extruded aluminium universal mounting brackets are supplied as standard on all Frigerio folding arm systems. This ensures that quality is not compromised when installing lighter systems.

Brasil

The Brasil folding arm awning is ideal for deck areas or as a pool covering. The Brasil becomes water-resistant with acrylic fabrics and it will enhance your lifestyle, allowing you to live inside and out.

Recommended Maximum Width: up to 5 metres
