RIGGERS[®] **V2**
FOOTWEAR

**REDISCOVERED.
REDESIGNED.
REBUILT.**

SOFT TOUCH CAP

Thermoplastic Polyurethane bump cap for anti-abrasion whilst kneeling.

WIDE STEEL CAP

Extra wide steel toe cap for comfort and worry-free safety.

NUBUCK OUTER

Premium nubuck leather offers durability, weather resistance and natural breathability.

RIGGERS[®] **BOOTS TECHNOLOGY**
WITH SELF CLEANING PROFILE

SHARP SHIELD

Our sharp shield anti-penetration layer keeps users safe from sharp hazards.

HEAT PROOF

Our outer sole is heat proof to 300 degrees Celsius

HI-GRIP

Riggers Hi-grip gives greater grip profile and traction.

SOL-FLEX

Sol-flex gives the ball of the boot maximum flexibility for maximum comfort.

OIL RESIST

Oil & Fuel resistance across the entire boot, most notably the sole.

ANTI-STATIC

Anti-static sole keeps users safe from static charge buildup that could cause combustion.

SHOCKABSORB

Shock absorbing construction delivers comfort day after day.

WEAR METER

Wear indicator keeps track of your boots and easily shows when a replacement pair is necessary.

SLIP RESIST

Slip resistant sole offers protection against the hazard of losing footing.

Our second generation soles are packed with features for safety, comfort and useability.
