

Surevac 50L Serena Silent

190775 - Corded operated

- Easy to transport and handle, with dedicated brackets to hang hoses and wand on the machine.
- The 3 stages high water lift vacuum motor allows for excellent suction and a very short drying time.
- The special profile of the vacuum head is designed for best suction even when inclination changes.
- Adjustable handle for greater ergonomics, allowing the machine operator to lift the tool and to press the vacuum head down on the carpet with very minimal effort.
- Ready for working with the patented SMARTKIT-EL system, making it possible to perform automatic chemical dosing and carpet rinsing.
- Attachable optional instant hot water unit (HT1800) to the machine, for more effective cleaning.
