

Wet-Dry Vacuums

WD-27 | WD-62 | WD-72

Reliable in a variety of conditions and applications, Tennant Wet-Dry vacuums are designed to help make clean up easy.

- Made for use in dry, wet, or even flooded conditions
- Convenient design makes it easy to move and empty the vacuums
- Rugged design helps ensure long useful life
- Designed and built in Europe

Wet/Dry Vacuums

Clean away dirt and water with Tennant Wet/Dry vacuums, and choose the size and power level that you need. All machines are equipped with high-speed motors and give you:

Advanced lightweight design, providing workers with a machine they can use without extra strain

Durable construction, offering long use for your investment

Construction with up to 53% recycled plastic, helping promote sustainable cleaning programs

Large tank capacity with drain valve device or tipping trolley (V-WD-62 and V-WD-72)

V-WD-27 Wet/Dry Vacuum

Versatile, maneuverable, and light, removes liquids and dust with a 27 liter capacity tank.

- Compact parking for easy storage
- Reliable locking of flexible hose
- Trolley with on-board tool holder
- Cable hook for cord management

V-WD-62 Wet/Dry Vacuum

Equipped with a user-friendly drain hose, this mid-range wet/dry vacuum is maneuverable and easy to use.

- 2 independent motors for reliable performance
- Easy-to-use drain hose for tank emptying
- Accessories clip for parking in compact spaces
- Trolley with on-board tool holder
- Reliable locking of flexible hose
- Cable hook for cord management
- Optional tool holder

V-WD-72 Wet/Dry Vacuum

Large-capacity wet/dry vacuum with smart features that make it easy to use.

- 3 independent motors
- Compact parking for easy storage
- Reliable locking of flexible hose
- Tipping trolley with on-board tool holder
- Cable hook for cord management
- Requires 15 AMP power socket for use
