

M2 300 kg Wide El-Tip

The shower commode chair for the largest users

Big advantages with M2 300 kg Wide EI-Tip

- M2 300 kg Wide EI-Tip can carry users with a weight up to 300 kg.
- With 72 cm between the armrests and an extra wide backrest, most users can be placed in this chair.
- The chair is equipped with wheels with double action brakes. The diameter is increased from 125 mm to 150 mm which makes it very easy to maneuver.
- It has a weight of 32 kg and yet a simple construction that is easy to clean.
- Reinforced armrest and soft foam seat.
- With electric tilt function, the chair can be tilted 8° forward so that users who is capable of standing can be helped into the chair and out again.
- For lift users it can be tilted up to 28° backwards, so it's easy to get the user into the chair. That way the staff's working environment is ensured as well.
- The seat height is 61 cm, while the negative tip only has an entrance height of 53 cm.
- As with all our products, it is possible to customize the chair according to the needs of the user - either through accessories or special alterations.
