

## Electric Towing Tug - 1Ton With Hitch

The Electric Powered Tugs are suitable to use in airports, hospitals, and wholesale and retail stores. They can be used in a variety of applications like pulling industrial carts, hoppers, trash cans, trailers, and tow bars. The tugs also help to reduce the risk of accidents and injuries and improve handling efficiencies.

### Features

- High torque 24V DC drive motor handles heavy-duty jobs.
- Ergonomic handle features easy to operate throttle with FWD/REV speeds and horn.
- Includes an electromagnetic disc brake with automatic dead-man feature that activates when the user releases the handle.
- Includes two (2) 12V batteries, an integral battery charger, and a battery level gauge.
- Pin Hitch standard, optional attachments available.
