RATIONAL ICOMBI PRO COMBI OVEN 20 X 1/1 GN ICP201

Product Code: 4012059

Product Description: Experience the Rational iCombi Pro 201 combi oven - the ultimate solution for high-output restaurants and food services. Fully gastronorm compatible, this oven accommodates up to twenty 1/1 pans, making it perfect for quick transfers between appliances and producing between 150 to 300 meals per day.

Forget space-consuming cooking appliances - the iCombi Pro does it all in less than 1m². Meat, fish, poultry, vegetables, and baked goods are produced with efficiency and ease. With the capacity to handle 50% larger loads than its predecessor, this oven requires 10% less energy and saves 10% in energy consumption while delivering excellent and consistent cooking results.

The iDensityControl system ensures perfect results every time while minimizing energy consumption, and the iCookingSuite offers flexibility to achieve reproducible high-quality food consistently. Cleaning is effortless with the intelligent iCareSystem, which monitors dirt buildup and proposes the ideal cleaning setup and chemicals at the appropriate time.
