

### Unique multi surface machine

Nilfisk AX 651 MULTI EDS is a battery-powered automatic multi surface machine. The same machine can be used for both hard floors and soft floors (carpets) by a simple converting function, giving you full flexibility and driving down the total cost of cleaning.

Superior cleaning result on carpets both in LIFT mode or restoration mode and help you protect your carpet investments. Standard is EDS - ECO Dosage Solution - on-board detergent for optimal savings of water and detergent.

### PRODUCT FACTS

- Multitasking machine for both hard floors and soft floors, driving down total cost of cleaning
- EDS, ECO Dosage Solution for longer running time and precise detergent metering
- High cleaning result, CRI Seal of Approval for deep cleaning of carpets
- Easy to use and maintain
