

CONQUEST SDC155

Combination Sweeper Scrubber

SUPERIOR CLEANING IN A SINGLE PASS

The Conquest SDC155 is an efficient combination cleaning machine that sweeps, vacuums, scrubs and dries in a single pass. Harnessing the power of hot water to deliver superior cleaning results, the SDC155 breaks down grease, oil and heavy soiling - without heavy chemical use.

SDC155

Featuring a unique hot water system (HWS), the SDC155 heats water up to 21°C above ambient temperature to break down stubborn dirt and grime for an effective deep clean.

Features & Benefits

- All-in-one cleaning machine that sweeps, vacuums, scrubs and dries in a single pass.
- A unique Hot Water System (HWS) that harnesses engine heat to enhance cleaning performance.
- High dump capability for simple, contact-free waste disposal.
- Corrosion-resistant stainless steel scrubbing deck promotes durability.
- Durable construction for reliability and longevity in the toughest industrial environments.
- Simple to operate with minimal training.
- Large capacity tanks with level indicators promote cleaning productivity.
- Ergonomic design promotes operator comfort and reduces fatigue with extended use.
- Power-steering for exceptional maneuverability in tight spaces.
