

i-remove

Gum & graffiti remover

With i-remove, six-seconds is all it takes to safely dissolve pesky gum and graffiti marks, transforming dirty surfaces before your eyes with precision.

Easy to use

Controls located in the head of the machine.

Safe to use

Works in different environments; no dangerous fumes or heat present.

No waste-water

Low volumes of water, unlike a pressure-cleaner means there is no need to restrict areas to pedestrians, and reduces environmental impact.

6 seconds is all it takes

Eliminate any unwanted sticky materials (chewing gum, stickers, lining glue) in just six-seconds.

Highly portable

Includes trolley handle and integrated backpack harness.

Cord-free operation

Interchangeable lithium-ion batteries eliminates trip hazards.

No residue

i-remove solution dissolves gum, leaving no sticky residue on surfaces.

Suitable for all surfaces

Remove gum & graffiti on hardwood, soft floors, tarmac, doors, cabinets, plywood, concrete and steel.

Technical Specifications

Weight	9.4 kg
Tank capacity	2.5 L
Consumption	2 L per hour
Batteries	1 or 2 i-power 9 or 14 batteries
Runtime	80 min with i-power 9 & 100 min with i-power 14
Charge time: i-charge 2	5-6 hours for i-power 9 & 7-8 hours for i-power 14
Charge time: i-charge 9	60-70 min for i-power 9 & 90-100 min for i-power 14
