V1.0 - 241017

MORBARK 2131

Featuring a highly configurable platform, the Morbark 2131 Brush Chipper is available in single axle, tandem axle, and track configurations – making it one of the most versatile chippers in Morbark’s stable of tree care equipment.

With scalable horsepower, extra-wide infeed opening, large diameter drum, and Variable Force™ hydraulic down pressure system, the Morbark 2131 Chipper is a well-equipped combination of power, performance, and capacity – making this the ideal unit for residential tree services, lot clearing, vegetation management, maintenance contractors, municipalities and more.

With its large capacity and high-production volume reduction capabilities, this chipper is perfect for residential tree services, vegetation management, lot and land clearing, maintenance contractors and municipalities.

The Morbark 2131 boasts a huge list of options to customize the machine as well as more standard features than any other chipper in its class. The 2131 is also available tracked for right of way clearing, highway cleanups and hard-to-reach areas requiring a self-propelled unit for material access. An optional loader also is available.

20.5" x 31"
THROAT OPENING

Technical Specifications

Throat Opening (H x W)	20.5" x 31" (52.1 x 78.7 cm)
Infeed Opening (H x W)	36" x 59" (91.4 x 149.9 cm)
Fuel Capacity	227.125 L
Power Source	213 hp CAT
Lift & Crush	Std
Adjustable pintoll height	Std
Drum Diameter	23.5" x 37.4" (59.7 x 94.9 cm)
Bump bar	Std
Folding Infeed Tray	Std
Spare Tyre	Std
Remote	Std
Strobe Light	Std

(All specs E&OE and subject to change)

Highlighted Features

- 23.5" wide (59.7 cm) x 37.375" (94.9 cm) diameter, four dual-edged knife staggered-pocket drum with removable knife holders, dual-sided, chambered air impeller system and controllable air flow vents
