

KITO L5 SERIES LEVER HOIST

3 Year*
Warranty**

Kito L5 Lever Hoist is a durable lightweight lifting tool designed for heavy loads, featuring ergonomic design, easy operation, and reliable performance.

Capacity: 800kg – 9T

Applications

- ✓ Fabrication, construction, engineering, power transmission
- ✓ Ideal for lifting, lowering, positioning, tensioning of loads

Features

- ✓ Compact, lightweight high-grade alloy steel frame.
- ✓ Patented “Free Wheeling Hub” for improved functionality.
- ✓ Low headroom design for space-saving efficiency.
- ✓ Kito nickel-plated Grade 100 load chain for durability.
- ✓ Double brake pads with four surfaces for superior safety.
- ✓ Double pawl springs for extra reliability.
- ✓ Optional overload indication with load signal.
- ✓ Optional overload limiter to prevent damage from excessive load.
- ✓ Optional shipyard hook for applications involving steel plates.

Australian Standard: AS 1418.2
