

Industrial Reel Drum Stand Double 1360kg Capacity

Industrial Reel Cable Drum Stand – Heavy-Duty 1,360kg Capacity.

Make cable handling simple and efficient with our **Industrial Reel Cable Drum Stand**. Designed for durability and ease of use, this sturdy stand allows you to **unwind cable directly from the coil** with smooth, controlled rotation perfect for workshops, construction sites, or industrial applications.

Features

- **Smooth Cable Unwinding:** Easily take cable from the coil with a stable, rotating drum design.
- **Adjustable Roller Positions:** Six roller positions to suit a variety of cable coil diameters.
- **High Load Capacity:** Strong steel construction with a maximum capacity of 1,360kg.
- **Dual or Single Reel Use:** Holds **two cable coils** or **one longer reel** (cable not included).
- **Quick Load & Unload:** Spring-loaded roller brake for effortless setup and secure operation.
- **Side Guide Rollers:** Makes it easy to mount or remove cable coils without strain.
